Dear Sandy,

On behalf of Roxy, Brandy, Jill, Lissette, Doug and myself, I would like to thank you for the excellent instruction that you provided to us during our in-house training on January 22<sup>nd</sup> through 24<sup>th</sup>.

Your provided us with an understanding of how the programs are intended to work and helped us to redo sections of our coding that had been providing us with problems. Further, by allowing Roxy to work with you during the changes, she was able to obtain hands on experience that will assist her in making the upcoming changes to our constituency codes.

Again, we really appreciated all of the effort that you took to tailor your efforts to our needs. You are a true professional and we are privileged to count ourselves among your little lambs.

We hope to work with you again in the future.

Sincerely,

Karen Christie  
Finance Director
